# Not Just a PGDM

## A Career Transformation

**PathFinder PGDM is designed for students who want more than a traditional management degree.**

It combines the credibility of an AICTE-approved PGDM with industry immersion, AI-age readiness, and global exposure. The programme focuses on building confident, capable managers who can apply management principles in real business environments from day one

# PathFinder PGDM?

PathFinder offers a fully AICTE-approved PGDM programme powered by Futred. It delivers the same recognised management qualification that employers trust, enhanced with continuous industry exposure and AI-enabled managerial capabilities. This is not a new or experimental degree, but a future-proofed version of traditional management education designed for real-world success.

**Fully AICTE-approved PGDM**

**Traditional management**

**AI-enabled decision capability**

**100% paid industry experience**

**Same recognised PGDM.  
Stronger outcomes.**

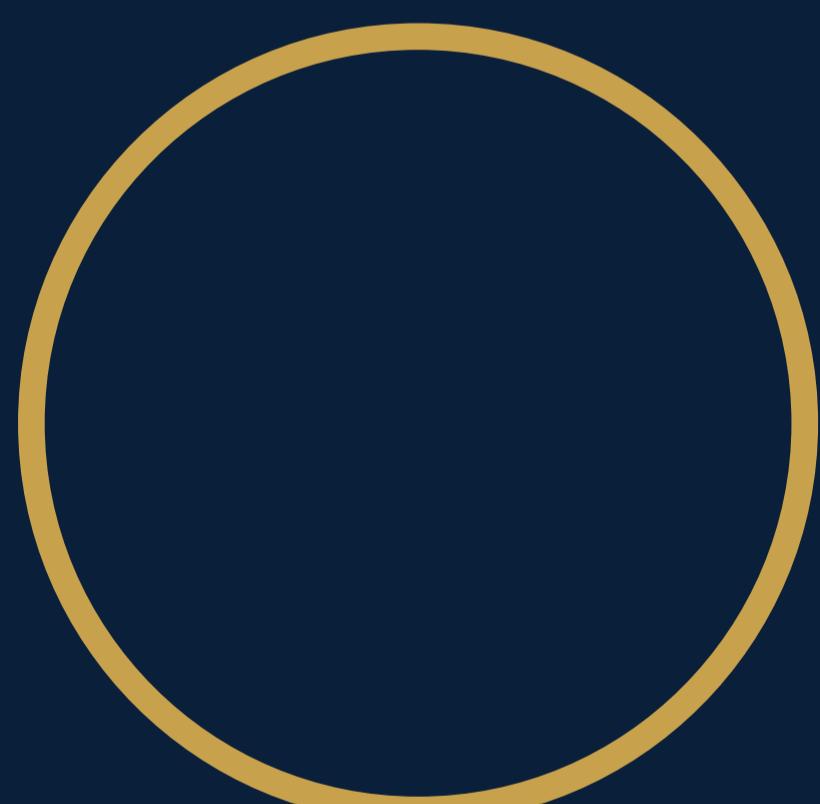

# The Big Difference

Most PGDM programmes focus heavily on theory, semester exams, and short internships at the end of the course. PathFinder PGDM goes further by integrating paid industry experience throughout the programme. Students don't just study management—they practise it by solving real business problems and building demonstrable work experience that employers value immediately.

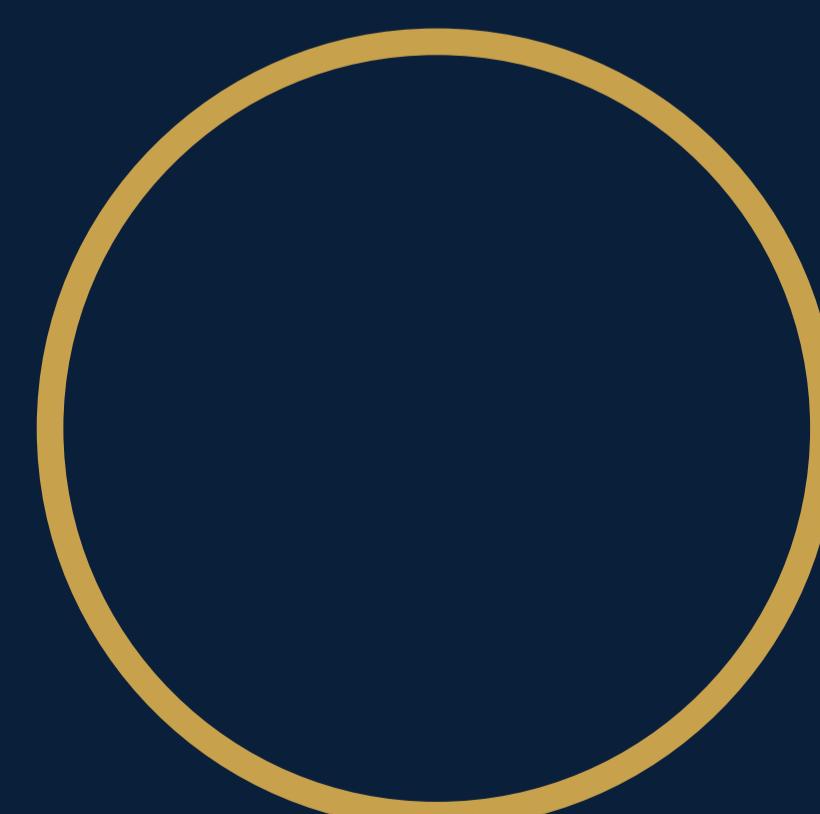

## Traditional PGDM

**Theory heavy**

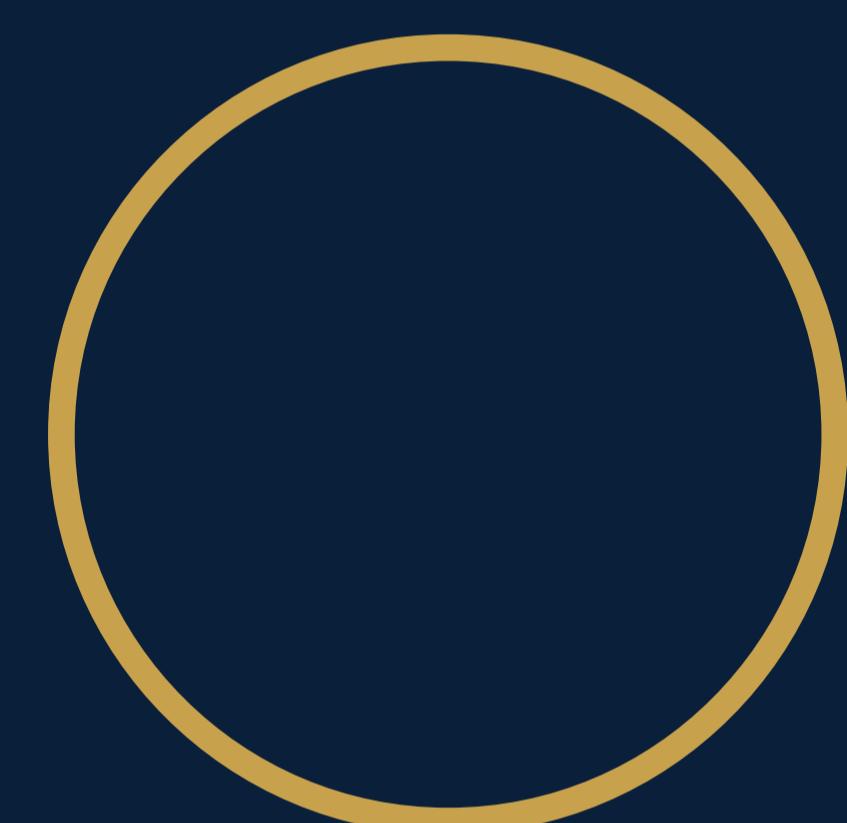

**Short internships**

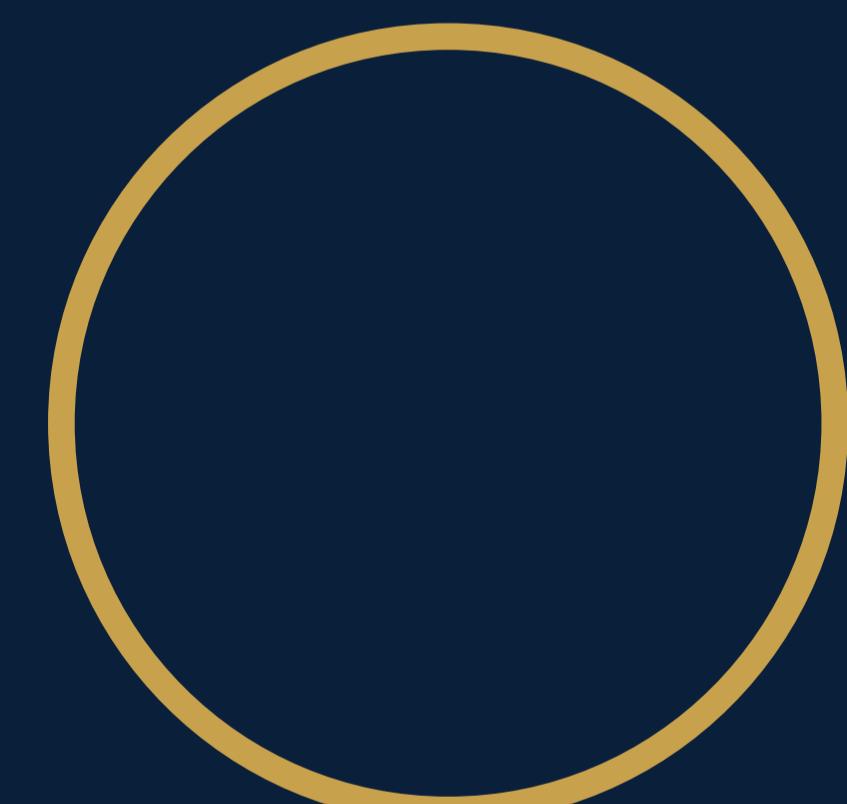

**Limited exposure**

## PathFinder PGDM

**Continuous paid industry work**

**AI-age managerial skills**

**Real portfolio at graduation**
